WELCOME TO TIA NOAKES ACADEMY

WELCOME!

Welcome to Tia Noakes Academy, a vibrant performing arts school located in Bartley Green, Birmingham. Since our founding in 2020, TNA has grown into a dynamic space where students can flourish, boost their confidence, make lasting friendships, and hone their talents across all areas of performing arts. With over 30 classes running weekly, we provide comprehensive training in every discipline needed to break into the performing arts industry, should they wish to.

WHY US?

If you have a passion or interest for performing arts, Tia Noakes Academy is the ideal choice for you. Our experienced teachers, beautiful facilities, and nurturing community provide students with the resources they need to thrive, regardless of whether they pursue a career in the industry or not. We welcome students aged 3-16 to join us today and embark on a journey towards fulfilling their dreams. As the only full stage school with an in-school agency in the area, we offer a unique opportunity to gain experience and exposure in the industry.

A MESSAGE FROM MISS TIA

My vision for Tia Noakes Academy is musical theatre training in its broadest sense, in readiness to be upon the world of entertainment with confidence in the knowledge that students are totally prepared. Our students are aware of the importance of being a valuable team member- reliable, disciplined, energetic and fully focused. In addition to achieving the highest levels of technique in dance, singing and acting, we focus on personal presentation, people skills and awareness of one's own unique talent.

LIFE AT TNA!

Tia Noakes Academy fosters a strong sense of belonging, ensuring that every child feels valued and recognised. Unlike many other schools, we intentionally maintain smaller class sizes to cultivate meaningful relationships with each student. Our tailored programs are designed to meet the unique needs of every individual who joins us, whether they take one or 20 classes. We promote a work hard, play hard attitude, with the ultimate goal of instilling confidence and a winning mentality in all our students.

OUR PROGRAMS

**ALL OF OUR PROGRAMS, ARE FUN, FRIENDLY, WHERE CHILDREN CAN HAVE FUN, MAKE FRIENDS,
AND DO SOMETHING THAT THEY LOVE**

PRESCHOOL PROGRAM- TNA TINIES

Introduce your toddler to the joy of dance through our Preschool Program! We combine the magic of movement of ballet, tap and modern, with the latest research in childhood development for an unforgettable dance experience. Our classes are thoughtfully designed to inspire creativity, boost self-confidence, and instill a lifelong passion for dance, all within a nurturing and fun setting!

TRAINEE

Trainee is our training-only program for students who want to excel in both technique and artistry without performance commitments. This program welcomes dancers ages 3 to 18 of all skill levels—from beginners taking their very first dance steps to experienced dancers ready to refine their technique. This program is for anyone who seeks the best in dance education. Dancers can enroll in classes that fit their schedule and training needs (no audition required). Trainee requires no commitments beyond weekly classes, making it the perfect supplemental training program for dancers focused on honing their technique, improving skills, making new friends, and having lots of fun .

FUSION

Fusion is our part-time competition team for students ages 4 to 18 eager to be apart of a team, participate in competitions and performances, and grow as performers. Fusion students train on Saturdays 9:00am-5:30pm.

Each week includes a dedicated rehearsal class for practicing competitive group dances, ensuring our dancers are performance-ready and technique-strong. Fusion participates in local and international competitions, and 1 local performance each year, providing ample opportunities for dancers to showcase their talents, and fuel their love for dance on stage!

CORE

The Core offers a rigorous, full-time training program for serious dancers ages 5 to 18 interested in pursuing careers in performing arts or becoming champions. Our students learn all subjects required to break into the industry, where every dancer is challenged to push their limits and explore their full potential.

Dancers aged five and older, demonstrating maturity, discipline, and a strong work ethic, are invited to join this pathway. Students on The Core take 12 hours of mandatory classes and rehearsals per week, diversifying their training and guiding them to become well-rounded artists. The Core attends 2 conventions, 2 local competition, and are invited to national/international competitions. Students are always encouraged to attend extra conventions if they do not conflict with weekend classes or rehearsals.

HOME SCHOOL

Students who are home schooled, are allowed to request zoom or in person classes, during weekday day time.

STYLES OFFERED

ACROBATICS

Students will gradually build the strength, flexibility, control, and endurance needed to execute tricks safely and with exceptional technique. From limbering to tumbling to balancing to trending tricks, our students leave each class feeling confident and eager to learn more!

BALLET

Ballet is the foundation of all dance, achieved through barre and center floor work, with a focused attention to proper alignment, technique, and artistry. Students are classically trained with an emphasis on challenging each dancer to the highest degree of technical and artistic excellence-appropriate for their ability level.

JAZZ- CORNER/ COMBO

This class blends various dance styles, giving young dancers a well-rounded introduction to multiple genres and teaching them to memorise choreography with precision, style, and dynamics.

TAP

This class gives dancers a well-rounded understanding to musicality, style, dynamics, and rhythm.

LYRICAL AND CONTEMPORARY

Lyrical encourages dancers to explore movement through grounded techniques and abstract concepts. Built off from a balletic foundation, it often involves contractions, spirals, and floor work, promoting a strong sense of body awareness and emotional expression.

PRE POINTE/ POINTE

Pointe class is a demanding ballet technique that requires dancers to dance on the tips of their toes, supported by pointe shoes. Approval from the faculty is necessary prior to enrollment.

CONDITIONING/ STRETCH

Stretch & Strength is designed to prevent injuries while improving your dancer's technical foundation through a combination of static/dynamic stretching and full-body strengthening. Students will learn how to use correct muscle groups while achieving a full range of motion to execute movement safely and properly.

TECHNIQUE- TURNS & LEAPS

Turns & Leaps class concentrates on skill-building through proper placement, alignment, and strength. We provide detail instructors for teaching current and new skills, helping students understand not just the 'how' but the why of correct technique in turns, leaps, and tricks.

DRAMA/ SINGING/ MUSICAL THEATRE

Students who are improving their dance skills, your performer will learn how to use dance, song and script to express themselves and tell a story. They will learn how to convey emotion and enhance their performances. This will help them develop their creativity and artistry, which are essential skills for any performer.

COMMERCIAL/ STREET DANCE

Street and commercial dance is essential for building coordination and performance skills! It improves our pupils' confidence, musicality, and their ability to pick up new styles and routines whilst also allowing their personality to really shine. It's the style that is most often seen at pop concerts and in music videos, and is a lot of fun learning to express yourself in class and on stage in our big shows!

Street/commercial is danced to current and recent chart music and covers a wide range of musical styles. We always make sure that our routines and music choices are age-appropriate and suitable for the level.

PRIVATE LESSONS

Competition Privates:

Private Lessons are exclusively sent to children by invitation to learn a new solo, duet, or trio at the discretion of Miss Tia. These specialised sessions run for a minimum of one month depending on how quickly the student learns, dedicated to refining and perfecting the dance routines. Subsequently, students are required to practice and review their routines at home.

Moreover, solos, duets, and trios will be rehearsed during the group competition classes scheduled on Wednesday's. This structure enables us to monitor dance progress without incurring additional expenses for parents. Children not in attendance on a Wednesday will not be invited in for these private lessons.

Parents are required to confirm their acceptance or decline of this opportunity. Regrettably, the time slots for private lessons are non-negotiable once the original invitation is issued. Declining a private slot may impact the likelihood of future opportunities being sent.

LAMDA Private Lessons & Exams

At the Tia Noakes Academy, we are proud to offer LAMDA (London Academy of Music & Dramatic Art) private lessons to support and develop our students' performance skills beyond the dance studio. These one-to-one or small group sessions focus on Speech and Drama, Acting, Verse and Prose, and Public Speaking, depending on each student's goals and interests.

LAMDA lessons provide a structured and inspiring way for young performers to grow in confidence, clarity of speech, expression, and stage presence. Whether your child is aiming to pursue a career in the performing arts or simply wishes to build self-assurance and communication skills, LAMDA training offers a valuable and rewarding experience. Students can work towards internationally recognised graded examinations, which not only celebrate their progress but also contribute to UCAS points at the higher levels – a fantastic benefit for older students preparing for university applications.

LAMDA lessons can help students:

- Develop vocal confidence and clear speech
- Improve acting and storytelling techniques
- Build emotional intelligence and stage presence
- Gain confidence in public speaking and interviews
- Achieve recognised qualifications and milestones

Our LAMDA teacher tailors each lesson to the individual, ensuring students are supported, challenged, and creatively inspired. These sessions are available as weekly private lessons, and spaces are limited. Please contact us for current availability and pricing. These sessions run all year round.

Dance Technique Private Lessons

We offer Focus-Based Dance Technique Private Lessons to provide personalised support and training for students looking to refine specific areas of their dance practice. These one-to-one sessions are ideal for dancers who wish to build strength, improve flexibility, enhance technique, or develop precision in their overall dance performance.

Each lesson is carefully tailored to the student's individual needs, whether that's mastering a skill, building turnout strength, or deepening technical understanding in a particular discipline. This is a fantastic opportunity to accelerate progress with dedicated attention.

These private lessons are especially beneficial for students who want a little extra push to reach their full potential. Sessions are booked as part of a termly plan. Availability is limited, and times are allocated on a first-come, first-served basis. Please contact us for more information on booking and pricing.

The number will be given out upon registration and must only be used if there are problems regarding the collection of children. No spontaneous calls or texts should be made.

Uniform:

This is basic but essential and gives the students a sense of belonging, a sense of ritual and sense of dressing for something important – their class.

Appropriate clothing as below is necessary for health and safety and child protection:

Students must not wear their own clothing to any class – wearing the correct Tia Noakes Academy clothing gives a sense of belonging, allowing all to feel equal, healthy and safe.

- All t-shirts, shoes and bags must be clearly labelled – lost property is donated to charity at the end of every term.
- Strictly no jewellery – no earrings (earrings are very unsafe during physical activity).
- Hair must be slick back into ONE BUN for all classes.

DONATIONS OF DANCE CLOTHING:

We welcome donations of dance wear that are in good condition and can be re-sold at a small price or lent to students. Please message for a uniform order form, a checklist is provided in your welcome pack!

Attendance:

Children must arrive and be collected promptly. It is very important that children arrive in time for their classes, preferably 5 minutes before the start. This allows the group time to settle from the moment the class starts. Latecomers will have to wait outside until an appropriate time to join the class. Children arriving after 15 minutes may be refused admission, as this may disrupt the professional attitude to classes we aim to foster.

The doors open 5 minutes prior up until the start time of class, after this they close to ensure smooth running of classes, we aim to finish 5 minutes before pick up times.

Late pick ups- if you are later than 15 minutes to pick up your dancer, a £10 fee is added to your next bill. Every minute after 15 minutes you are late picking up, £1 is added. It is in safeguarding procedure if no contact has been made in 45 minutes then the police will be contacted. Where possible Tia Noakes Academy will aim to let people know of any changes in venue or class time at least one week ahead of schedule.

Absence:

Any child missing for more than two classes per term without reason may not be able to join future events. Class numbers are limited, and many have waiting lists, so good attendance and commitment to the course is essential.

Illness/Injury:

Parents are not to allow their child to attend TNA if they are feeling unwell or have a known injury which would prevent a student from fully taking part. This includes presenting any contagious illness including (but not limited to): Chicken Pox, Head Lice, Common Cold, Flu.

SCHOOL TERMS

PART 2

TIA NOAKES ACADEMY TEACHER POLICY AND PROCEDURE FOR YOUR INFORMATION

Teachers must ensure that each child has left a session with an adult or older child (agreed in advance with parent). It is the parent/guardian's responsibility to ensure the child is collected punctually at the end of the class or session. Should a parent/guardian not turn up to collect a child on time – this is the procedure to follow:

- Inform Miss Tia who will contact the parent/guardian.
- If Miss Tia is not available, contact the parent/guardian directly to arrange collection.
- If the parent/carer is not reachable, and you must leave, the emergency procedure is as follows:
- Leave a message with the parent and contact Miss Tia or Miss Lauryn. Wait until another member of the team can arrive.
- If the parent/guardian is not reachable and there is no adult available, you must take the child to the nearest police station. Inform the police of all contact details for the parent/guardian and notify the entire Tia Noakes Academy Team as above. Leave a message for the parent/guardian to say where the child will be.
